You've achieved so much and should be very proud! A big thank you also goes to our families for your continued support—it makes all the difference. We wish you all a peaceful and enjoyable Easter break filled with rest, fun, and special moments together. See you in the new term!

Parking Restrictions

Did you know, that the areas closest to the school gates are permit holders only or no stopping? There are a number of restricted parking areas around school and vehicles should not be parked in the restricted area unless they have a permit to do so. People parking in this area without a permit, even for 1 or 2 minutes, may be subject to a penalty. The restriction also applies to [blue badge holders](#). We would appreciate your support with parking and ask that you park away from school wherever possible and under no circumstances, block neighbours drives. Thank you.
