Stanley Head

This week, our Year 6 pupils enjoyed an unforgettable residential trip to Stanley Head, filled with adventure, laughter, and lasting memories. The children were absolutely fantastic throughout, demonstrating impeccable behaviour, brilliant teamwork, and resilience in every activity they took part in. From the excitement of the scavenger hunt and the challenge of the nightline, to weasling through tight spaces, exploring Deep Hayes, canoeing, climbing, and crate stacking – every moment brought opportunities to strengthen friendships and grow in confidence. It was a joy to see relationships deepen and children support one another with such enthusiasm. A truly special experience that has created memories to last a lifetime!

Clubs

Our extra-curricular clubs will be starting next week. Pupils who have signed up for a club should have brought home a club record with the details. Please check this carefully and ensure your child attends their chosen club each week, as staff kindly give up their time to run these sessions.

Macmillan Coffee Morning

Next Friday, 26th September, we will be hosting a coffee morning in school to support the Macmillan charity from 9:00a.m.—10:00 a.m. There will be tea, coffee and cakes galore! We were overwhelmed that so many people attended last year and would love to see you there this year—even if you can only pop in for 10 minutes.

To give us an idea of numbers, we will be sending a ParentMail out tonight to see who will be attending. See you next Friday!

Data Collection and Medical Tracker

The school is now using a new system called **Medical Tracker** to record and monitor all injuries, medical conditions and medication administered during the school day. It is essential that we have up-to-date parent email addresses and accurate medical information for every pupil. Going forward, all medication approvals will be managed online through this system, with consent requests sent directly to parent emails.

On Monday, you will receive a Microsoft Data Collection Form to complete. Please ensure all information is entered accurately.

Uniform/Food Bank

A heartfelt thank you to all our families who have kindly donated to our uniform and food bank collections. Your generosity is making a real difference to members of our school community, and we are incredibly grateful for your continued support. A reminder that our food bank collection basket is located in the main school office and donations are always welcome. Every item helps, and together we can continue to support those in need.

School Nursing Team

If you have concerns about your school aged

child, you can speak to a School Nurse either by calling the Hub or speaking to a member of staff who can support you with this referral. Your School Nurse can provide advice and support in issues including behaviour, emotional wellbeing, continence issues, growth and weight concerns, medical conditions, lifestyle concerns and lots more.

The school nurses are happy to speak to you in confidence about your child, if you need to contact the team, please call the HUB on 0808 178 3374 (covering all areas of Stoke on Trent).

Parents/carers can also use the Chat Health Messaging service – text 07312 277161
