### With Sympathy

It is with great sadness, we write to share the news that our Office Finance Manager, Mrs Gaynor Mullin, passed away suddenly on Monday following a very short illness.

Gaynor has been a deeply valued and much-loved member of our Sandford Hill family for the past thirty-six years. For generations of pupils, parents, and staff, she was one of the first friendly faces you would meet and a constant presence you could always rely on. Her kindness, quiet compassion, and genuine care for everyone she encountered left a lasting impression on all who knew her.

Over more than three decades of devoted service, Gaynor became far more than our Office Finance Manager. She was a source of care, wisdom and reassurance in the busy daily life of the school, always willing to listen, to help, and to go above and beyond for others. Her dedication and unfailing commitment helped hold our school together, and she truly was a pillar of the Sandford Hill community. The warmth she brought to her role and the relationships she built so naturally mean that her absence is felt deeply across our entire school family.

During this incredibly difficult time, our thoughts, prayers, and heartfelt sympathies are with Gaynor's family and friends. She will be remembered with great affection, gratitude, and respect by us all.

We are going to create a book of condolence for Gaynor's family. If you would like to share a message, a memory, or a few words, you are very welcome to do so by completing the form below, emailing [parent@sandfordhill.org.uk](mailto:parent@sandfordhill.org.uk) or by dropping a written message into the school office. ### Young Voices

Today, our Choir have travelled to Birmingham to take part in the Young Voices concert this evening. We're sure they will all have an incredible time! Keep an eye out for photos on our social media channels. A huge thank you to the wonderful staff who have volunteered to take them.

### Arbor

Over the next few months, we will be moving to a new system called Arbor, which will eventually replace ParentMail. During this period, we will be carefully transitioning to the new system, and we would like to reassure you that ParentMail will continue to be in use throughout the transition. We will provide clear updates and guidance to ensure everything runs smoothly until the changeover is fully complete.

### The 5 Ways to Wellbeing

We hope you enjoyed connecting with friends and family last week as part as our focus on the 5 ways to wellbeing. Next week the focus will be **'Be Active'**.

On the following link, Joe Wicks explains why physical exercise is good for our mental health <https://www.bbc.co.uk/teach/articles/z4vhrmn#zj8gqyc>

Here's a few ideas how we can be more active: **Going for a bike ride, Playing on a scooter, Skipping games, A family walk, Running around the garden, Doing some exercise at home—squats, lunges, press ups or running on the spot, Going to the park.** We would love to hear how you have been active, so please encourage your children to share with their class teacher and feel free to send in any photographs.

### Notices

- **Clubs**— Our extra-curricular clubs will be starting next week. Pupils who have signed up for a club should have brought home a club record with the details. Please check this carefully and ensure your child attends their chosen club each week.
